To whom it may concern,

I _____, hereby:

- (a) give permission to the Department of Agriculture, Food and the Marine (the “**Department**”) to make available a copy of my herd's calf registration data, animal identification and movement system data (AIM) and my name, address, mobile number, animal events data and other relevant cattle breeding data to Irish Cattle Breeding Federation Society Limited (“**ICBF**”) for the National Cattle Breeding Database (the “**Database**”). I understand that all such information will be stored in the Database and will be used for the purpose of cattle breeding activities.
- (b) consent and agree to ICBF (i) obtaining any data relating to animals which I either own now, have previously owned, or acquire in the future that ICBF shall consider relevant (including information relating to an animal's performance, health, meat quality and genetic makeup) (“**Animal Data**”) from any source available to it including meat processors, vets, AI companies and milk processors; and (ii) entering such Animal Data on its Database and using such Animal Data in any way it deems appropriate in providing its services and carrying out its activities including by making such Animal Data publicly available or passing it to third parties including those organisations listed below.
- (c) acknowledge that my personal data as provided in this form (ie my name, address, phone number and email address) (“**Personal Data**”) will be retained by ICBF in conjunction with the Animal Data and may be used by ICBF when Animal Data is being compiled or assessed and also for the purpose of communicating with me. ICBF's lawful basis for doing this is: the performance of a contract, its legitimate interest in administering its business, compliance with its legal and regulatory obligations and/or your consent (where this has been provided). I also specifically consent to my Personal Data being given to the organisations for the purposes listed below and understand that **I can withdraw this consent in respect of my Personal Data at any time by emailing ICBF at dpo@icbf.com**.

Organisation(s) to which data may be passed:

Progressive Genetics Milk Recording

(PGM)

–Rathcore, Enfield, Co. Meath, A83 KP98, Ireland.
