

Prestige Hereford Catalogue 2026

MacG
DEC '24

100% Irish Farmer Owned

Prestige Range

Dear Hereford Breeder,

Welcome to this edition of the Prestige Hereford Catalogue.

The sires featured within these pages represent an elite selection of Hereford genetics, chosen to meet the highest standards of performance, functionality and breed character. Our portfolio includes both horned and polled genetics, offering breeders the widest possible choice while maintaining the quality, consistency and reliability expected from the NCBC Hereford programme. Each bull has been carefully selected to provide genetics capable of making a lasting contribution to your herd.

NCBC operates Ireland's leading breeding programme.

The scale of this programme, together with extensive performance recording and genetic evaluation, provides us with an unrivalled insight into the sires that consistently deliver for farmers in Ireland and internationally.

The strength of the NCBC Hereford programme lies in its commitment to continuous genetic improvement. By combining proven Irish bloodlines with leading international genetics, we continue to develop a portfolio of sires that offers breeders confidence, reliability and choice.

Our experienced team is always available to provide independent breeding advice, helping you select the right sire to complement your breeding objectives. We trust this catalogue will prove a valuable resource throughout the breeding season.

Thank you for your continued support. We wish you every success in the coming breeding season.
